The greatest story you've ever told!

That's right, the all-new Jeep Patriot and Marvel are setting out on an adventure with YOU to create a brand new comic book. Check back daily and see it evolve from sketch to ink to color. Call by cell. Page by page.

THE PATRIOT FACTOR

[REGISTER](#) [LOGIN](#)

Guide the characters and the adventure!

An expert panel from Marvel will judge input from participants. If your idea is chosen you'll see it come to life through the pencil of Marvel artist Bing Cheng. There's even a chance you'll get an original page sketch signed by Bing himself.

You can actively participate by registering, providing ideas or commenting. Or watch as the comic book unfolds without registering. It's all up to you.

Get a piece of comic history.

Only a limited number of printed comic books will ever be produced. To get yours, sign up now!

Ready to browse the comic?
